Summary: A dedicated Senior Software Engineer with over 7 years of experience in full-stack development. Skilled in JavaScript, TypeScript, React, Node.js, and building scalable web applications. Proficient in cloud technologies and experienced in leading cross-functional teams to deliver high-quality solutions. Strong passion for clean, maintainable code and mentoring junior developers.

Professional Experience:

Senior Software Engineer

Tech Solutions Co. (Jan 2019 – Present)

Remote

- Spearheaded the development of a full-stack web application using **React** and **Node.js**, leading to a 30% increase in user engagement.
- Designed and implemented highly scalable **RESTful APIs** for various internal and external services.
- Deployed microservices using **Docker** and orchestrated services with **Kubernetes** on **AWS**.
- Collaborated with the UI/UX team to optimize the performance of web applications.
- Integrated **AWS Lambda** and **S3** for serverless computing and storage solutions.
- Set up CI/CD pipelines using **Git** and **Jenkins**, improving deployment efficiency by 40%.
- Mentored junior engineers, providing guidance on coding best practices and debugging techniques.

Software Engineer

Code Innovators LLC (Jun 2015 – Dec 2018)

Remote

- Developed and maintained web applications using **JavaScript**, **React**, and **Express**.
 - Integrated third-party APIs and designed database schemas using **MongoDB**.
 - Worked closely with the DevOps team to ensure smooth deployments and scaling using **AWS EC2** and **Docker**.
 - Collaborated with product managers and designers to implement responsive and dynamic user interfaces.
-

Skills:

- **Frontend:** JavaScript, TypeScript, React, HTML5, CSS3

- **Backend:** Node.js, Express, MongoDB
 - **Cloud:** AWS (EC2, Lambda, S3)
 - **DevOps:** Docker, Kubernetes, Git, CI/CD pipelines
 - **Other:** GraphQL, Agile/Scrum, RESTful APIs
-

Education: Bachelor of Science in Computer Science

Tech University

2011 – 2015

Certifications:

- AWS Certified Solutions Architect
 - Certified Kubernetes Administrator (CKA)
-

Open Source Contributions:

- Contributed to multiple **open-source** JavaScript libraries, improving documentation and fixing bugs.
- Active contributor to the **React** community.
